

## Vogel's Comfort TVM 3465(3834650)

### Vogel's Comfort TVM 3465 - Mounting kit (articulating arm, interface bar, wall mount) - full-motion - for OLED display - aluminium - black - screen size: 32"-65" - wall-mountable

Are you looking for a safe, full-motion TV wall mount for your fragile OLED TV? A wall mount that perfectly matches the minimalistic design of your TV? Meet the stylish COMFORT Full-Motion+ TV wall mount. The wall mount is suitable for OLED TVs from 32 to 65 inches and weighing up to 25 kg. It can turn a full 180°. This allows you to effortlessly enjoy your beautiful OLED TV from anywhere in the room.

## Key Selling Points

- Ideal for OLED TVs
- Seamless, minimalistic design
- Smooth OneFinger movement
- Easily lock and release with TiltAnchor
- Keep your TV always level (horizontally and vertically)

## Product Features

### Turn your OLED TV smoothly with just one finger

Your OLED TV has a fragile screen. It is extremely thin. Thanks to the One-Finger movement technology, you can turn your OLED screen to the desired position with just one finger.

### Minimalistic design, seamless and secure mounting

Your OLED TV has a beautiful, minimalistic frame design. The design of this wall mount matches it seamlessly. Soft patches protect the back of your TV while it is being mounted. The unique TiltAnchor system ensures that your TV is safely secured: tilting is not necessary, thanks to the ultimate viewing angle of an OLED TV.

### Easy to install

You don't need to be a professional to install the COMFORT Full-Motion+ TV wall mount. A drilling template, screws, Fischer DuoPower plugs, cable ties and a spirit level are included.
